

# Your one stop shop for DME.

You can now order all DME for all insurers through Tomorrow Health. Spend 45% less time ordering DME with our platform.

## Who is Tomorrow Health?

We streamline ordering and access to home medical equipment supplies for patients to stay healthy at home. Tomorrow Health coordinates amongst suppliers to ensure patient orders are serviced with accuracy, speed, and exceptional service.

## How do you ensure the network has the supplies I need?

We have access to 160+ high quality suppliers selected by their quality, product breadth, geographic coverage, and insurance contracting.

## How does the process work?

We simplify the ordering process so you have less paperwork, fewer phone calls and more time to focus on patient care. We also close the loop, providing you with assurance that patients received the order.

Our matching logic ensures that orders are fulfilled by the best-matched DME supplier for the patient. Orders are routed based on their performance on a set of objective metrics, including:

- Order processing time
- Patient satisfaction score
- Product expertise
- Operational reliability

*We match 100% of patients with suppliers that have a patient satisfaction rating of 4.5/5 or higher*
